Cat. No. SB-805, 6½" Carborundum Abrasive Masonry Blade (Also fits JS-812)

CRAIN 775 TOE KICK SAW This model has a safety clutch mechanism to reduce kickback and to slip if saw blade binds in the cut. Cuts flush to the inner wall of toe space in a cabinet or counter to remove old underlayment. Depth of cut ¾". Supplied with the SB-787 large 3 3/8" carbide tipped blade and carrying case.

Cat. No. TK-775, Wt 14 lb

**Tile Cutting with 789
Diamond Blade**

REPLACEMENT BLADES FOR CRAIN 775 & 795 TOE KICKS

- Cat. No. SB-787,** 3 3/8" 18-Tooth Carbide Tipped Repl. Blade
- Cat. No. SB-788,** 2 3/4" 16-Tooth Carbide Tipped Blade (Not for TK-775)
- Cat. No. SB-789,** 2 5/8" Diamond Grit Blade

LIGHT DUTY CRAIN 575 MULTI-UNDERCUT SAW This saw undercuts door jambs, and will fully undercut inside corners. The height of cut is adjustable from 0 to 1" above the floor. The dual-angle depth gauge allows undercutting at a "straight-on" or a 45 degree angle. The large flat base prevents tipping and assures level cutting. A visual adjustment scale provides precision depth control at 1/8" increments. Each saw comes with a 36-tooth SB-556 carbide blade that is bell shaped for rigidity, and should not be used on any other saw. Also included are a custom carrying case, a hex key for blade removal, and detailed instructions.

Operates on std 120 VAC at 6.2 amps. Wt 11 lb. Avoid overheating.
Cat. No. US-575 **Cat. No. SB-556,** Repl. Blade

CRAIN 825 HEAVY DUTY UNDERCUT SAW This saw has a larger 6 ½" diameter blade that can undercut doors in place, and comes with a masonry blade for undercutting hearths. A diamond blade (No. 822) is available for undercutting tile and stone. Other enhanced features include a more powerful, lower RPM motor (that throws less dust), a dust control port, a threaded rod height adjustment that will not slip, and a rugged aluminum ratchet handle. Undercuts most everywhere including inside corners. Comes with case, blade wrench, and instructions. Volts – 120, amps - 8.15.
Cat. No. US-825

Accessory/Replacement Blades:
Cat. No. SB-821, 6 ½" 40-Tooth Carbide Tipped Repl. Blade
Cat. No. SB-822, 6 ½" Diamond Grit Blade
Cat. No. SB-805, 6 ½" Carborundum Abrasive Masonry Blade

CRAIN 995 DELUXE FLAMELESS HEAT GUN Powerful 1500-watt professional type. This high quality gun has a high-speed universal motor that blows instant hot air up to 1000°F. The adjustable intake shuttle gives you the temperature that you want. A 3-position switch provides Hot, Cold, or Off. The big 1 3/16" diameter nozzle houses a replaceable element. Comes with an adjustable stand and an 8' 3-wire cord and plug. Also comes with a carrying case. The unit operates on standard 120 VAC at 14 amps.
Cat. No. HG-995, Wt 4.5 lb **Cat. No. HG-995RE,** Repl. Element

Replacement element for **HG 990** is also available. **Cat. No. HG-990RE**
